

Thomson Excess Inventory Sale

Danaher Motion has excess and obsolete inventory of Thomson products in stock now and available to you at a tremendous savings. Discounts are set at more than 60%, 70% and even 80% off standard list price. Take advantage of this great opportunity to save on Linear Bearings and Guides, Linear Actuators, Slides & Table Systems and Gearheads.

- Discounted items will be sold on a first come basis.
- All discounted items are in stock and will ship on the same or next day the order is entered.
- An additional 10% discount will be applied if the total available quantity is ordered on bearing, shafting, and profile rail items showing 50 or more units on the list.
- Quantities listed are subject to change. Please consult with DMAC to have available quantities verified.
- After an order is received, it will ship immediately – no scheduled deliveries allowed.
- No additional discounts will apply to discounted items.
- Standard Danaher Motion freight terms apply.
- The special pricing is available only on products shipped on or before March 31, 2008.
- All orders for excess inventory items cannot be combined with orders for standard product. And, all orders for excess inventory product must note "THOMSON EXCESS INVENTORY SALE" at the top of the order to receive the discounted pricing.
- All sales are final. Items cannot be returned per Danaher Motion's return policy.

Contact the DMAC to take advantage of this great offer. Call 1-540-633-3400 or fax your order to 1-540-639-4162. Be sure to specify 'Thomson Excess Inventory Sale' when ordering.
